##### **DESCRIPTION:**

In this lively workshop YA apologetics fiction author Ann Roecker introduces young adults and teachers to apologetics fiction as a creative outlet, educational offering, and a tool for innovative evangelism and discipleship. Ann shares:

- What apologetics fiction is,
- How it entertains like any story, but also answers readers' questions about God,
- Why this matters for today's youth,
- How apologetics fiction is an innovative way to share our faith, and
- How to write apologetics fiction.

Ann also shares how God has used stories to inform and reform her own life.

## **WORKSHOP #2: 7 QUALITIES OF A REFORMER | CHANGING THE WORLD ONE RIPPLE AT A TIME**

### **DESCRIPTION:**

In this thought-provoking workshop Ann talks about:

- Jesus' mandate to disciple (reform) the nations,
- How reformers have carried Jesus' mandate forward through the ages,
- The stages of reformation,
- What qualities reformers possess,
- How young adults can be reformers in their own circles of influence,
- The ripple effect of reformation,
- The devastating outcomes when we don't reform the nations.

Ann showcases three unlikely reformers who changed history forever, how God reformed aspects of Ann's own life when she lived out God's Word in the public square, and lessons learned when she didn't but wishes she had.

## **WORKSHOP #3: MORE THAN CONQUERORS | A VICTORY TOOLKIT FOR YOUNG ADULTS IN A REFORMATION-RESISTANT WORLD**

### **DESCRIPTION:**

Ann shares biblical tools to equip young adults for victory when they encounter the battle that's not against flesh and blood – a battle intent on stealing, killing, and destroying God's reformation in us and in the world around us. In this illuminating workshop Ann answers:

- What is God's redemptive reformation agenda for the ages?
- What is the spiritual battle raging against it?
- What is temptation and when am I most vulnerable to it?
- What is the difference between God's tests and the enemy's temptations?
- How do I know when I'm being attacked by the devil?
- What are my biblical victory tools and how did Jesus model these?
- Living on the front lines – ruin or reformation?

Ann provides a Victory Toolkit for each participant that includes Hearing God's Voice, Common Enemy Strategies, a Victory Checklist, and Seven Victory Verses & Prayers.
